Dear Mr. Barba:

This letter is in response to your request to give you a line by line response to your August letter referring to Diversified Eastern Metals site and/or Theodore Sall, Inc.

- Item #1 No product whatsoever was sent to Eastern Diversified Metals site since we have been in business.
- Item #2 Refer to Item #1.
- Item #3 Refer to Item #1.
- Item #4 Refer to Item #1.
- Item #5 No correspondences between Kalas and a third party ever took place regarding anything to do with Eastern Diversified Metals.
- Item #6 No other company or person to the best of our knowledge has ever stored, treated, disposed, or transported any substance from Kalas to Eastern Diversified Metals site.
- Item #7 Kalas has no deeds, rights-of-way, leases, or other real estate or property interests in Eastern Diversified Metals site.
- Item #8 No dealings whatsoever transpired between Kalas Mfg. Co. Inc. and Theodore Sall, Inc.
- Item #9 Eastern Diversified Metals Inc. solicited our business many years ago. After an on site visit, the person incharge of scrap at that time considered the site unacceptable and no further correspondence occurred. All correspondences were by phone and Kalas at no time sent material to the Eastern Diversified Metals site.

No documents were ever consigned and no deal was ever made with Eastern Diversified Metals Inc. I hope this satisfies your request.

Very truly yours,

Richard P. Witwer
President
